Town of Milan, New Hampshire

Report of Police Department

1971 has been the busiest year in the Milan Police Department's history.

The department answered 660 calls, made 10 arrests, delivered 35 citations, and issued 127 warnings.

There is a constant demand for extra police work and an increased danger in risking lives to handle rowdy groups of addicts or drunks plus other intolerable incidents. Consequently, the town has been asked to vote for and support a permanent Police Chief. Knowing that a fulltime police is available may not end unlawful acts in Milan but it should discourage many.

The new Cadet program has proved very successful. It also has been helpful to the regular force. These boys have sincerely donated their time and knowledge to better our community.

We wish to thank the town citizens, selectmen and other local enforcement agencies for their co-operation.

Our efforts in the past have proved that we are sincere in our work. We aim to make Milan a safe and decent place for our children with a feeling of security in their homes.

Law enforcement is everybody's business and we are proud to have been a part of it.

Respectfully submitted,
ARTHUR JODRIE, JR., Chief

*The starred items are required by law to be raised as determined by the proper authorities. This District determines the salaries of the District Officers. The Supervisory Union Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1971-72 is as follows: Dummer, \$186.83; Errol, \$937.29; Gorham, \$12,169.07; Milan, \$1,161.80; Randolph, \$681.38; Shelburne, \$563.63; State Share, \$2,500.00. The Teacher's Retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's Retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

Report of Superintendent

To the Citizens of the School District of Milan:

Being new in my role as your Superintendent of Schools I have not had the opportunity of meeting many of you. However, those of you I have met have pointed up the closeness of a small community and its interest in its school.

Minimum Standards

A committee of your towns people made a study of your school in preparation for the Minimum Standards which must be implemented by September, 1972. On your study which was widely distributed and then strongly supported at your March meeting, several recommendations were made.

Since the completion of the Committee's work a proposal to implement the recommendations was developed. The proposal contains three steps, the first of which will cost \$1,687.00 and which is scheduled for 1972.

The 1972 share includes \$500.00 to change the program of the Milan school to a non-graded approach, \$250.00 to adopt a health program, \$212.00 to develop an instructional materials center, and \$725.00 to add library books to the school.

Water Line Installation

Last March the Town of Milan voted to approve up to a \$10,000 expenditure for the installation of a water line. The money was to be raised through the issuance of five year serial notes on the credit of the District. In this way the money would not need to be raised by taxation in one large sum, but rather over a period of five years.

Through an oversight on the part of my office and the failure of the Tax Commission in Concord, the \$10,000.00 was not shown as having to be raised by serial notes. This was on the financial reports due on July 15, 1971, caused the \$10,000.00 to be raised through taxation in one sum. There lies one of the explanations for the large increase in your taxes.

After a meeting with the selectmen and on the advice of the State Department of Education the school board made the deci-

sion to immediately repay the money borrowed from the bank and save the interest. Further, it was suggested that a special article be added to the warrant to ask your approval of the action taken.

Double Session in Berlin - Transportation

The Berlin School System after your March meeting voted to approve a double session for its junior and senior high school. Immediately following this decision plans were made to transport Milan children to Berlin. Because of the variations of the schedules of the Berlin schools, the parochial schools, etc. it was necessary to triple the normal amount of miles traveled each day. Correspondingly, the transportation costs increased from \$11,100.00 to \$20,442.00, a large and unexpected expenditure. However, due to having raised extra money under the water line, some funds are available to help meet some of the added costs without asking for a large deficit appropriation.

Parochial Students

The parochial schools in Berlin are and have been having financial problems for the past several years. The 1971-72 school year was no different when Berlin had to come in to keep the schools open under the Dual Enrollment Program. However, as soon as Berlin added tax dollars to keep the schools open, Milan children attending Berlin Schools were liable for tuition. For the grades 7 - 12 there is no problem because the parochial costs are less than Berlin so Milan can save money by helping its children in the parochial schools. However, the parochial children attending grades 1-6, the same grades as the Milan school, pose a problem. Some parents have indicated if they had to pay the tuition they would remove their children and return them to Milan. If such were to happen the Milan School would be over-crowded to the point of another teacher. Along with another teacher would be required another classroom, a classroom we don't have available.

Tuition

The tuition charges to send our children to the Berlin School System have increased as indicated below:

	1971-72	1972-73
Elementary	\$543.97	\$548.43
Junior High	\$506.33	\$703.53
Senior High	\$686.30	\$744.62

Transportation

Your school warrant contains a special article leaving the question of required walking distances to and from an established transportation systems up to you the voter.

Last fall a petition was signed by the required number of voters in Milan to extend a bus route down Success Road for the purpose of picking up three high school children required to walk one half a mile. At the time the school board approved the extension of the bus route until such time as the voters may decide the question in March.

Enrollments

The enrollments at the Milan School based on the possible transfer of children from the parochial schools in Berlin are as follows:

1971-72		1972-73	
Grade 1	17	Grade 1	14
Grade 2	17	Grade 2	20
Grade 3	7	Grade 3	21
Grade 4	10	Grade 4	8
Grade 5	16	Grade 5	12
Grade 6	11	Grade 6	20

Milan Village Elementary School

School opened in September 1971 with an enrollment of 77 pupils.

Grade 1	18 pupils
Grade 2	16 pupils
Grade 3	7 pupils
Grade 4	9 pupils
Grade 5	16 pupils
Grade 6	11 pupils

The teaching staff is as follows:

- † Mrs. Margaret Nichols - Grades 1 and 2.
- † Mrs. Kay Schutte - Grades 3 and 4 (She replaced Mrs. Joan Ferguson, who moved to Chicago, Illinois in October.)
- † Mrs. Barbara Elcik - Grades 5 and 6.
- † Mrs. Julie Oliver - Remedial Reading. This year Mrs. Oliver has classes all morning, thus enabling more pupils to be included in the program this year than there were last year.
- † Mrs. Madeleine Pitre is at the school 2½ days a week, as a Teachers' Aide. She works in the Primary Room due to the large enrollment in Grades one and two.

We have eight pupils going to Brown School in Berlin once a week for Speech Therapy. This is a Title III Project.

The week of November 1-5 we held Open House in observance of National Education Week. Many parents and friends visited classes during that week.

The annual Christmas Program was presented on the afternoon of December 22, to a large audience of parents and friends.

On October 20, 1971 an Audio Visual Workshop was held, under the direction of Mr. Edward Simmons. Mr. Bellavance and the Errol teachers joined us for the workshop. Mr. Simmons gave us information and instruction on the equipment and material available to us through the Multi Media Services of North Conway, N. H.

Mrs. Donna Roberts is with us again this year as School Nurse. Mrs. Marcia Bacon is the School Lunch Director and Cook. Mr. Joseph Labrecque is the School Custodian.

In the spring our sixth graders go to Berlin Junior High for an orientation visit, as they will be entering Junior High in September 1972.

Mention should be made of the Milan-West Milan P.T.A. and its interest in the school. Every year one of the projects of the P.T.A. is to purchase material or equipment to be used for instruction in our school.

A good education — that's what we want for our children — the leaders of tomorrow!

Fire Chief's Report

The Milan Volunteer Fire Department has completed another successful year. There were very few fire calls during the year 1971. The department attributes this to the fact that the citizens of Milan and Dummer are very fire conscious, thereby eliminating the fire hazards surrounding their property.

Once again, we thank the citizens of Milan for the cooperation given our department.
